- 607 A pair of ladies early nineteenth century silver Ottoman hammam shoes. In the form of silver slippers, profusely chased and engraved with scrolls and foliage, and applied with a hand holding an engraved bow. Pierced and engraved heel plate; wooden soles with iron nailed leather bases. 19cm length

Note:- During the period of the Ottoman Empire, women wore wooden clog style shoes when they went to the hammam or public bath house. These were often clad with decorated silver sheets; or applied silver decoration. These particular slipper style shoes are much rarer and might have been owned and worn by a person of wealth of importance, perhaps a young girl, given the small size. **£600-800**
